ORDER:

e-Pragati is a framework to provide integrated services to citizens through free flow of information and to usher in an era of good governance, characterized by efficiency, effectiveness, transparency, and foresight. It is a massive e-Governance programme covering 33 departments and 315 agencies across the State and about 745 services have been identified so far. These services are bundled into (72) projects, which are in-turn grouped into (14) packages for ease of procurement & implementation.

The procurement/implementation process for (14) packages/individual applications is taken up in (4) waves, based on the priority. RFPs are being issued at Package level for better project monitoring and optimized project costs.
